Processing Procedures

Applicants must complete an application form and attach a copy of the most recent federal tax returns (and spouse's if married) along with pay stubs from the last two months, if applicable. Alternatively, applicants may submit proof of enrollment to [Free/Reduced Meal Plans](#), [Healthy Kids](#), or other government assistance programs. Submit all forms to the school's director. Applicants will need to reapply for tuition assistance each school year. Any change in family income during the school year must be reported within 30 days.

The school will make every effort to grant assistance to every family in need based on the available budget.
